

## ELF Memorial List

By [Michael Rudolf](#) on [Tuesday, September 20, 2011 at 6:54 PM](#)

1. Gary Kinner and Marge Walters are organizing the ELF Memorial Listing. In order to help them, please add or update information on this document. (If you have problems editing the document, post a comment underneath.) Please **DON'T** post the information on the regular page, as it could get lost when it scrolls down. Keep it here on the document or in the comments.

Use the following format please: Name, graduating year, date of death.

*Example: John Smith, 1978, 04/16/92.*

(For those who died before they graduated, put the year that they would have graduated. And if you do not know the exact date of death, use question marks, like 10/??/87 or ??/??/02.)

Thank you.
